## **HVAC Service Technician**

Aldag / Honold Mechanical, Inc. is a family-owned design/build contractor providing mechanical services for the last 100 years in the Lakeshore area. With a state-of-the-art fabrication facility and innovative staff, we are committed to staying ahead of the construction trends to provide our customers with the best possible service. At Aldag/Honold, we hold true to our mission of creating quality environments to work and live. While doing this for our customers, we also strive to create a quality working environment for our valued employees. At Aldag/Honold, we know the importance of family and offer a laid-back, flexible, professional workplace.

As an HVAC Service Technician, you will be part of a team responsible for being the first point of contact with our customers, installing and repairing various HVAC systems, locating maintenance problems on equipment and conducting warranty services quickly in case of emergency repairs for certain items like furnaces, rooftop units, exhaust fans and make up air units, and working with the rest of the service team to provide the best customer service possible.
